PRESIDENT'S MESSAGE

November is here and this year is about to run away from us. Most of our FCA outside events are over and they have been a lot of fun. If you haven't been involved--GET INVOLVED!! You are missing out on a lot of fun and not meeting all the good folks in the FCA.

We have Chris Scioscia from New Jersey on board with us as the new Northeastern Regional Director. I have talked to him and I believe he will be great for you in that region.

The Houston, Texas area has a new chapter named "The Space City Chapter." If you are in that area join them for a lot of fun.

The National Meet committee is working hard on our future conventions and it sounds good.

Those of you who have to plan ahead for vacations, get your dates set for the Nationals in Milwaukee so you don't miss out on all the fun.

Take care and have a Happy Thanksgiving.--Jim Hatcher, FCA President

P.S.--Inside shows are starting. Show those Falcons, win some awards, and get new members.

CHAPTERS

WELCOME TO OUR NEWEST CHAPTER, THE SPACE CITY CHAPTER, in the Houston, Texas area. We look forward to hearing in the future of the activities of this new group among us. Address the Space City Chapter in care of Bobby Ray, 12223 Thaman, Dickinson, TX 77539; telephone 409-925-1717.

THE CAROLINAS CHAPTER held a meeting in September which was a covered dish dinner meeting. Members participated in a car show in Kannapolis on October 5 and the AACA car show at the Spencer Railroad Museum on October 19. A Christmas party will be held on December 2.

THE HAWKEYE CHAPTER held its September meeting at the home of David and Cathy Musal, Bettendorf, IA on September 14. We had a nice gathering with a lot of wonderful food. Several of the members spent the night and went on the President riverboat for a great Sunday of brunch and games. A good time was had by all. The November meeting will be held on the 2nd at 2 pm at the Des Moines Bonanza. We will be having our annual meeting and elections at that time.

THE KEYSTONE CHAPTER held a Falcon Fall Foliage Festival meet on October 19 at Shickshinny, PA. The meet included a cruise to a scenic overlook.

THE KEYSTONE, NORTHEAST, AND MASON DIXON CHAPTERS hosted 57 Falcons at the Third Annual Eastern Regional Meet held at the Stouffer Valley Forge Hotel in King of Prussia, PA, on September 13-14. Those in attendance enjoyed viewing a nice variety of cars, participated in games, and judged classes of cars ranging from various body styles and years to a new "Diamond in the Rough" category. This Regional meet was the most successful of the three we've held so far, and we hope for more of the same in 1992.

THE LONE STAR CHAPTER held its election of officers at the meeting of October 20, in Garland, TX. Planning is continuing for a regional meet in June of 1992. Town East Ford of Dallas has agreed to help sponsor the 92 regional. The chapter caravanned to the regional meet in Hot Springs, AR in October.

THE MID AMERICA CHAPTER held its Annual Picnic October 5, 1991 at Antioch Park, Kansas City, KS. The weather was very cool, but we still had 15 members present with 6 Falcons. Our November meeting will be November 1 at Santa Fee Bar-B-Q in Olathe, KS. Our December meeting will be a Christmas party held on December 7, at Ryckert's Hall in Lenexa, KS.

THE MILE HI CHAPTER members from Colorado have had a very busy summer of meetings, parades, races, cruises, The National Caravan, breakfasts, and the annual summer family picnic. The Deer Trail, CO parade even generated a first place plaque to our club, a big surprise! A big thanks to all who

participated in all of these events. It has really been fun and a lot of public interest has been shown in our little Falcons. The most recent event was our annual Poker Run/Lunch, organized by the Clements and the Kozaceks. This half day event had members heading in all directions but culminating in lunch together at a local restaurant. Trophies and dash plaques were given at the end of this beautiful fall day in Denver. Membership now stands at around 56 families with more cropping up every week! Lots of Falcons out there just waiting to be discovered!

FROM "DOWN UNDER"

Dear Sir:

I am writing as an overseas member of your club and also as a member of the Mason Dixon Chapter. As I live in Australia, I'm a long way from being able to participate in your functions, but by the kindness of Phil Barber, I am able to keep in touch with what my chapter is up to. I also have a friend who also has joined the Mason Dixon Chapter, and we hope sometime in the near future to be able to come over and visit some of the East Coast and southern chapters. We both have 63 ragtops, both imported from USA. Mine was a 144 six with 4 speed; his also a six with auto. Mine is now 302 and C-4; his is 260 with 2 speed auto. Thru the kindness of Phil Barber and other members we have been able to get parts which are not available in Australia. I have made several trips over and have been taken down (ripped off) by some dealers and part suppliers. The point I am making is the Falcon Club of America and its chapters are what a club is about, helping all those in need of advice and the scarce parts to keep our Falcons rolling. I, for one, am proud to wear my membership patches at my club events.

Which brings me to the next part of this letter. I am making a display banner for club outings and would really like to have a patch from each of your USA Chapters on it. Also, I have a large photo album or two with photos of overseas members cars. Would you print in your magazine a request for anyone who would like to donate a patch and/or photo of car with details on the back to please send such to me. Here in Australia we are a bit starved for new cars, and the sight of so many restored and original cars may inspire some of our members to put a bit more effort into getting their cars into better shape.

Before I close, any dealers who wish to send any price lists or parts lists to me, I can use them in our newsletters. Thanks, in anticipation of your help. Regards to all fellow Falconeers in the USA from the boys and girls down under.--Alan Watts

OF INTEREST TO RANCHERO OWNERS

Dear Editor,

According to pp. 303-304 of Ray Miller's book, **FALCON! THE NEW-SIZE FORD**, both Dingman and Protect-O-Top camper shells and fiberglass tonneau covers were produced for the 1960-65 Falcon Ranchero pickups, but as of 1983 only Protect-O-Top camper shells were still available.

RECENT 18 SEPTEMBER 1991 CONTACT with Santa Clara Fiberglass Products (1505 Nicora Avenue, San Jose, California, 95133, telephone 408-251-1044) reveals that both Protect-O-Top pickup camper shells (\$499 FOB factory) and hard fiberglass tonneau covers (\$299 FOB factory) can still be made with 5 days lead time from old molds still retained by the company. Manager Al Montano states that the camper shells and tonneau covers are identical with those made in the 1960's but he is contemplating offering smoked glass windows based on the fact that the Long Beach Protect-O-Top dealer (Discount Campers, 213-436-1303) orders his Falcon camper shells without glass, and then inserts smoked glass windows to give the camper shell a much more modern look.

The camperette (tent) accessory for use with the tonneau covers on 60-65 Falcon Rancheros is no longer available. However, Mr. Montano reports that both camper shells and tonneau covers are available for a wide variety of other Falcon Rancheros, Ford Rancheros, Chevrolet El Caminos, and most Ford, Chevy and GMC pickups. Mr. Montano also mentioned that the molds produce a very smooth surface with color-fast (white only) paint impregnated into the fiberglass. He no longer has the original photos of the camper shell, the tonneau cover, and the camperette, but can supply a Xerox copy from old advertising literature. Mr. Montano, whose personal hobby is 1949-51 Ford convertibles, is interested in helping Falcon owners, and would appreciate members passing the word on Ranchero and other pickup camper shells and tonneau covers that his company produces. He mentioned that few Ranchero owners are apparently aware of the fact he has the old molds because he only gets orders for about one dozen camper shells and tonneau covers for 1960-65 Rancheros per year. Thanks, Dan Wofford, Jr.

(Ed. note: Mr. Wofford reports that he is restoring a 65 Falcon Ranchero (66H model) with a 200 h.p. 289, Borg-Warner T-10 4 spd transmission, and bucket seats, which he bought for \$200 at a garage sale 4 years ago. It had 132K miles (now 153K) and had not been driven for two years. He says it surely runs well for a \$200 pickup! He also owns a 65 Squire SW with 225K miles on the original engine, with valve jobs at 105K and 205K.)

Any FCA member who has a suggestion, problem, or complaint that pertains to the FCA should contact their Regional Director first.

GUIDE LINES FOR REGIONAL DIRECTORS

Regional directors will provide liaison between the chapters and the national staff to provide support for:

- (a) Assist regional members and chapters with initial evaluation of suggestions, problems or complaints.
- (b) Assist and coordinates chapters hosting regional and national meets.
- (c) Contact each chapter in their region on a regularly basis.
- (d) Assist national chapter coordinator with new chapter formation.
- (e) Coordinates region chapter event dates to avoid conflicts with other FCA or other auto club events.
- (f) Contact the president and other regional directors on a quarterly basis with a regional status report. (Board of Directors may want to assign one director as National Director for others to report to.) Have all regional directors submit a written quarterly report to the vice-president. He then will submit report to the president and board of directors.
- (g) All regional chapters will provide their regional director and board of directors with a copy of their newsletter or a report of activities/events.

All regional directors are eligible to attend the National board of directors meeting, and should submit a report of their regional expenditures at that time for reimbursement.
